## MASSBAY CLUBS & ORGANIZATIONS

Getting involved in a club or organization is a great way for you to explore your interest areas, gain valuable experiences outside of the classroom, meet your fellow students, and get connected to the MassBay community. MassBay offers a wide-range of student-run campus clubs which provide opportunities to explore new social, cultural, educational and professional experiences. Whatever your interests, MassBay has a student organization for you. Get involved today! MassBay currently has 20 Clubs & Organizations active on campus. You can find a complete list of them at [www.massbay.edu/clubs](http://www.massbay.edu/clubs).

Today, we want to highlight the new clubs that have been developed by students this semester:
