Welcome to MassBay!!

We're thrilled you're here.

We have designed the first 8 weeks to set you up for success academically, socially and for the future.

Each week will have a new theme and resources to help you succeed. Check out all that is available to you and ALWAYS ask for help when you need it.

We are here to support you and as always, encourage you to get involved!

Check your MassBay Inbox for our weekly events calendar and newsletter to learn about what's happening on campus!
